OPERATION OF THE TUNNELS

VAST CAPITAL INTERESTED

Chicago, Nov. 21.—The Chicago Subway Company, with a capital stock of \$50,000,000, and composed of men who represent 90 per cent. of the railroads having Chicago terminals, was organized to-day and took over the \$30,000,000 company here which has built fifteen miles of freight tunnels under the city streets. The vast tonnage of the railroads represented by the financiers in the new corporation will be diverted into the company's tunnels, which are already under every street in the business district of Chicago. Apparently in connection with the mammoth deal Sir Ernest Cassel, the financial adviser of the King of England, was in Chicago to-day with Jacob Schiff, head of the international banking house of Kuhn, Loeb & Co., who is heavily interested.

The Illinois company will remain the home operating corporation, but will be owned by the Chicago Subway Company, of New Jersey.

immediately use the tunnels for the transfer of the freight from the railroad terminals to the basements of the business houses. To produce this result and get the tunnels in full opera-

COMPULSORY VACCINATION TO BE ENFORCED THROUGHOUT THE COUNTY.

Hopkinsville, Ky., Nov. 21.—[Special.]—Prompt and vigorous steps to stamp out smallpox were taken today by the Fiscal Court following a message from the State Board of Health delivered by Secretary J. The board sent word that the county would be quarantined unless all cases were confined in the eruptive hospital and compulsory vaccination enforced throughout the county. Every requirement of the State Board will be carried out and nothing will be left undone to eradicate the disease. The salary of County Health Officer Jackson increased to \$800 a year, and Dr. Austin Bell was appointed to assist him at a salary of \$10 a day for fifteen days. The employment of detectives to report any cases where concealment was attempted was authorized. The county has been divided into districts and physicians will vaccinate every person and the county will pay for the vaccination of the indigent. The cases have been reported in Hopkinsville. There have been twelve cases and all the victims are now convalescent. In the county pesthouse there are twenty-six negroes confined, half of whom are now well. A warrant of arrest will be issued for Mackie Hall, a white citizen, who is charged with concealing the fact that he had smallpox.

CIRCULAR ISSUED FOR BENEFIT OF PREFECTS.

Premier Combes Says All Officeholders Must Be Devoted To Republican Institutions.

Paris, Nov. 21.—The text of a circular addressed by Premier Combes to prefects throughout the country is published to-night. The Premier says that, owing to the repeated attacks of opposition parties against the republic it is essential that all holding public office should be not only honorable and competent, but also devoted to republican institutions. Accordingly, the Premier intimates that the Government expects prefects to furnish necessary information spontaneously or at the request of any Minister, but instructs that information be not only from holders of political elective offices. The circular insists that the information be impartial and carefully certified, adding that it must not be communicated to any one except department superiors. This circular is intended to restore confidence which was shaken by the employment of army officers to spy on each other, and the communication of the results to Masonic lodges. M. de Lanasan, formerly Minister of Marine and a high Mason, resigned from his lodge, owing to his disapproval of the recent revelations of the political methods of leading Masons.

CAME NEAR DYING

From an Awful Skin Humour.

Scoriated Till Blood Ran.

Wasted to Skeleton.

CURED BY CUTICURA

One Application Soothed Him to Sleep. Cure Speedy and Permanent.

"When my little boy was about three months old his head broke out with a rash, which was very itchy and ran considerably watery fluid. We tried everything we could, but he got worse all the time. I had to put him on his hands to keep him from tearing his skin around his wrists. He got so weak and run down that he took fainting spells. I thought he would kill him dying. He was almost a skeleton and his little hands were thin like claws."

"He was so weak that eight months when we tried Cuticura Remedies, I had not laid him down in his cradle in the daytime for a long time. He had got so that he just slept in our arms all the time. I washed him with Cuticura Soap and put on one application of Cuticura Ointment and he was so soothed that I put him in the cradle. You don't know how glad I felt when he came back to his normal state. I think our little boy would have died only for the Cuticura Remedies, and I shall always remain a firm friend of them."

Mrs. M. C. MATTILAND, JASPER, O.

No return in 14 years. Mrs. Mattiland writes, under date of Feb. 24, 1903, that the cure is permanent.

"It affords me much pleasure to inform you that it is fourteen years since my boy was cured of the terrible skin disease from which he suffered."

He is hearty and strong."

HUNDREDS

Of Friends Pay Last Respects To the Distinguished Dead.

SHORT AND SIMPLE SERVICES.

REMAINS OF COL. BRECKINRIDGE CONSIGNED TO THE GRAVE.

APPROPRIATE RESOLUTIONS.

Lexington, Ky., Nov. 21.—[Special.]—All that was mortal of Col. William Cabell Preston Breckinridge was lowered to earth this afternoon surrounded by his comrades who fought with him in the struggles of the North and the South; by the friends who have known and loved him and who have been associated with him during many years. The busy life of the city was hushed while the last rites were being performed, and the oldest citizen came to living as dead as marked the burial of Lexington's most distinguished citizen. Those who loved him most came laden with their tributes. Those who knew him best in earlier days have passed to the great beyond, or nearly so, but those remaining to-day gently carried the remains of their old comrade to the earth he loved so well.

The funeral services were held at the First Presbyterian Church at 2 o'clock this afternoon. His remains lay at the family residence all of the morning, where hundreds of friends called to pay their last respects. Among those who called were many men of prominence from this and other cities. Some had known him as a statesman and known him as an editor, while others had known him on the field of battle, but in whichever sphere he was known he was loved.

Funeral Procession.

The funeral procession formed at the home at 1:30 o'clock and proceeded to the church. The procession was led by muffled drum corps draped in black. Then came the Knights Templar in full regalia, each with a red flower and a fern pinned on his breast. Following them were the members of the Masons, too, being in full regalia with a green sash and a white flower pinned on their lapels. The procession then moved on to the church. The line of Confederates contained such distinguished men as Gen. John B. Cressman, Gen. Basil Duke of Louisville, the Hon. Boyd Winchester, of Louisville; Col. E. H. Taylor, Jr., of Frankfort; the Hon. Payette Henderson, of Lexington; and others. The pallbearers were chosen by the family from among the old war comrades of the late Breckinridge and members of the company of which he was Captain when the war broke out. They were John H. Bell, Samuel T. Leary, Henry L. Martin, Elly Blackburn, John A. Lewis, A. H. Sinclair, and others. The funeral party passed into the church.

The services as conducted by the Rev. Edwin Muller, pastor of the church, were very simple. It was like unto the death of the life he led, and his greatness but intensified the simplicity. There was a hymn, a reading from God's book, a prayer, a hymn, another reading, and another hymn, and all over. The music was by the choir of the church, which sang "How firm a foundation." The Rev. ASSUMES

Duties On Clark Circuit Bench.

JUDGE MONTGOMERY ASKED

TO REMIT PUNISHMENT OF SHERIFF PERNETT.

NEW ALBANY COUNCIL MEETS.

No scene of any kind was enacted in Jeffersonville yesterday morning when Judge Henry C. Montgomery took his seat in the Clark Circuit Court, it having been anticipated that something might happen after the strike of last Tuesday, when Judge Marsh filed Sheriff John S. Pernet \$5,000 and ordered him to fall for contempt of court, but the morning session of court, but was there for a short time before.

When Judge Montgomery took his seat, there was no commotion, and he began his work of charging the Grand Jury, there being nothing out of the ordinary in the written instructions to the body, which retired at once after the charge had been completed. The criminal docket was called, and at its conclusion George H. Volz, the attorney, filed a motion to expunge the record of Tuesday, November 15, so far as it related to filing Sheriff Pernet for contempt. A second motion was filed for a new trial for the Sheriff, both of which were denied on advice by Judge Montgomery.

Action Unauthorized.

In asking that the record be expunged and applying for a new trial, Mr. Volz made the following statement in open court:

"Representing the Sheriff, I desire to call your Honor's attention to the occurrence of last Tuesday afternoon when I took the oath and was sworn in as Judge of the Clark Circuit Court. After the adjournment was announced by the Sheriff, the former Judge of the court took the bench and ordered Sheriff Pernet to adjourn court until 2 o'clock in the afternoon. Mr. Pernet, recognizing the fact that the former Judge was without authority, refused to do so, and the latter assumed to assume a fine and to take an alleged contempt of court. The proceeding was entirely without authority and the Sheriff need pay no attention to the same, were it not for the fact that the Clerk, upon demand of the former Judge, entered the fine of record. Now, to expunge the record of this charge entered against him, I file this motion to expunge the record of the pretended fine."

"From the investigation I have made, I feel sure that your Honor's term commenced at the time you took the oath of office. The records show that the terms of Judge Charles P. Ferguson and Judge James K. Marsh began on the thirtieth of October, and while there is no record of Judge George H. D. Gibson's assumption of office, his commission was signed by the Governor on the thirtieth of October, and his term commenced on that day. But as the matter is of much concern to the Sheriff, and he feels that the Sheriff is unjustly dealt with, we ask your Honor to make a thorough examination of the facts, and if you should have any doubts that the former Judge acted without authority, the Sheriff is willing to concede such jurisdiction to you, and to an impartial trier of fact to determine whether he is guilty of contempt of court, and with this object in view, I file this motion to expunge the record of the proceedings. The motion is based on the fact that the former Judge acted without authority, and I ask your Honor for a new trial in proceedings for direct contempt."

"We ask that your Honor take both motions and determine the matter according to the law and facts. Mr. Pernet feels that he has been grievously wronged by the action of the former Judge and he insists upon a complete vindication of his course."

SMALLPOX SITUATION

Discussed At Length By New Albany Council.

A brief meeting of the New Albany Common Council was held last evening, all the members being present with Mayor Grose presiding. Councilman Harris, of the Seventh ward, chairman of the committee on Public Health, said the city was now confronted with cases of smallpox, the case of which was costing a great deal of money, and he reported on the matter of the erection of an erupitive hospital, as he had not been able to have a satisfactory report from the Board of Commissioners in regard to sharing the expense. Mayor Albany seven houses were now in New Albany. There is a penalty attached, he said, for any one violating the quarantine, where the houses are boarded up by order of the health officer, and he proposed to see the law enforced.

Protection of property owners on Vincennes street, asking that a new plat be made of the lot east of Vincennes street and south of Main, and also that the ferry right at the foot of South Vincennes street and the old block house at 18th, a relic of the Indian wars, be sold to the city. The City Engineer, City Attorney and Councilman McQuiddy and Jackson, of the First ward, were present. The case for 100, which has recently been completed and turned over to the City Clerk, was referred to the Committee on Finance.

Councilman Stonecipher, on the part of the Committee on Cemeteries, proposed that the additional cemetery grounds be settled at the next meeting in open Council.
